Structure

Adobe Wall (Alvarado-La Porte Adobe) (CAL-1646)

History: Built to enclose an area to the rear of the adobe where Mauricio Gonzales who operated a saloon and gambling business, could stage Mexican acrobatic and gymnastic acts with audiences seated on tiers of seats. Assessed to Gov. J. B. Alvarado in 1855 and purchased by La Porte brothers in 1874.

Description: High wall built of native limestone and adobe brick with tile coping for weather protection.
